

# LION'S DEN WEEKLY

NOVEMBER 7, 2018

*Once again, you are asked to keep the family of Mrs. Golato in your prayers. Her father passed away this week following an illness. As you know two weeks ago, Mrs. Golato lost her sister. This has been an extremely difficult time for Mrs. Golato and her family. Eternal rest grant to his soul, O Lord, and may the perpetual light shine upon him. May his soul and the souls of all the faithfully departed rest in peace. Amen*

## **NOPE Task Force**

Last year NOPE (Narcotics Overdose Prevention and Education) Task Force presented their program to our seventh and eighth grade students. It was a powerful presentation that evoked emotion and demanded the attention of the students to hear the interactions of drugs on the developing brain and first hand, messages from families who have suffered the loss of loved ones to a drug overdose.

This year, Saint Eugene School is bringing the Task Force back to speak to parents. Please mark your calendars for Wednesday, November 14, 2018 and plan to attend this presentation on frank talk about drugs, learn signs of drug use and best ways to speak with your children about drugs.

### **Candy Sale**

Thank you for your participation in this year's candy sale. The top 3 winning families will be announced on Friday.

The Smartboards in the Kindergarten and Fourth Grade lost their interactive ability. I was able to purchase new Smartboards for both classrooms with government money allotted by the state of Pennsylvania. This money does not cover the installation. The installation cost of the Smartboards, over \$1,300, was covered by a portion of the proceeds from the candy sale. Thank you again for selling those boxes of candy!

### **Parent/Teacher Conferences**

Thank you for attending your parent/teacher conference. I know the teachers enjoyed meeting you and providing insights into your child's progress. I want to thank the teachers for their time preparing for conferences. I hope you found them informative.
